RENEWED SUBMISSION UNDER 37 C.F.R. 1.497(d)

Dear Sir:

Responsive to the Decision on Renewed Submission mailed on March 31, 2008, Applicants submit herewith a Declaration of the inventors in compliance with 37 C.F.R. §1.497(a) and (b) and 37 C.F.R. §1.52(c)(1).

Applicants respectfully contend that the deficiencies in the previously submitted declaration have been corrected. Specifically, inventor OLLMANN's name is properly spelled; the prior declaration suffered from an inadvertent typographical error. Additionally, any alterations appearing on the enclosed declaration are initialed and dated as required.

As such, Applicants believe that, with the enclosed declaration, the requirements for the submission under 37 C.F.R. §1.497(d) have been met, and respectfully request grant of the pending petition.

The Decision mailed March 31, 2008 set forth a 2 month period for reply. Accompanying this Renewed Submission is a petition for a 2 month extension of time and the requisite fee. With the petition and payment, a response is timely if filed on or before July 31, 2008. Please charge any underpayment or credit any overpayment to our Deposit Account, No. 13-2490.

If the Office believes it to be helpful, the Office is invited to contact the undersigned representative by telephone at (312) 913-0001.

Respectfully submitted,

Date: July 31, 2008
